## Lion in Wait

For kiddies (or adults, for that matter) who don't mind sticking their heads into a lion's mouth, a refreshing drink from a bubbler fountain may be had at the Mohawk Park Zoo. Jyl Venner, 4-year-old daughter of Mr. and Mrs.

Larry Venner, enjoys a cool drink, while Gene Flippo, representative of the Brookside Lions Club which donated the fountain, holds a bronze plaque to be mounted in the fountain base.
